

Networking conference

# LIVING HERITAGE

## KNOWLEDGE, IDENTITY, PRACTICE

Join us in exploring heritage as a living, dynamic force. Heritage is a constantly evolving process rooted in transmission, community-based practice, and cultural identity. The conference invites reflections on how traditions are maintained, transformed, and experienced today – across disciplines, generations, and cultural contexts.

## THEMATIC AREAS

 **27** NOVEMBER  
**28** 2025  
 TRNAVA  
UNIVERSITY,  
HORNOPOTOČNÁ 23,  
91701 TRNAVA
